RESOLUTION.

No. 270.—The Governor-General in Council hereby makes the following rules for the regulation of admission to the Indian Military Academy by examination in India which will be held in October, 1935:—

RULES.

I. (*i*) A candidate who desires to be examined in India shall apply to be admitted to the examination before such date and in such form as the Public Service Commission may prescribe. The application shall be made through the Collector or Deputy Commissioner of the district in which his parents reside at the time of the application, or have previously resided for a period of not less than three years, or in which he has himself resided, otherwise than as a student at an educational institution only, for a like period.

(*ii*) In the case of Calcutta applications shall be submitted through the Commissioner of Police.

(*iii*) Cadets of the Prince of Wales's Royal Indian Military College, Dehra Dun, shall submit their applications through the Principal of the College.

(*iv*) A candidate resident in an Indian State shall submit his application through the Durbar, who will forward it to the Political Officer or Agent.

(*v*) No candidate shall make more than one application in respect of this examination.

(*vi*) A candidate shall, except in very exceptional circumstances, appear personally before the District Officer or the Political Officer or Agent who signs the attestation form.

2. A candidate must be an unmarried man and either:—

(*a*) a British subject of Indian domicile whose father (if alive) is a British subject or, a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India or a person in the permanent service of the Crown or a person who had retired from that Service; or

(*b*) a Ruler or a subject of a State in India

Provided that in the case of a British subject the requirements of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship, and that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

Provided also that a Ruler or a subject of a State in India cannot be appointed unless he has obtained the declaration required under section 96-A of the Government of India Act.

3. The guarantors of a candidate selected for admission to the Indian Military Academy will be required to covenant with the Secretary of State in Council that the parent or guardian of the cadet will discharge from his own personal resources all the financial obligations attaching to the training of his son or ward at the Academy, and that in the event of failure to comply with certain contingencies set forth in an Indenture relating to the completion of the course at the Indian Military Academy, and thereafter, the acceptance of a commission in the Indian Land Forces, and the period he is required to hold such a commission, he will pay the full cost which the Government of India shall have expended on the education of the cadet at the Academy. Should it be found that the declaration in regard to discharge of financial obligations to the Indian Military Academy is false in any respect, the cadet will be liable to immediate removal from the Academy.

4. The maximum number of candidates to be admitted to the examination may, in the discretion of the Governor-General in Council, be limited to such number as the Governor-General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit, the Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for employment as commissioned officers, in the Indian Army.

5. A candidate for this examination must attain the age of 18 and must not attain the age of 20, on the first day of November 1935.

6. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a commissioned officer in the Indian Army. A candidate who, after examination by a Medical Board, is found not to satisfy these requirements will not be accepted for admission to the Academy.*

7. A candidate must satisfy the Public Service Commission that he is suitable in all respects for employment as a commissioned officer in the Indian Army.

8. The decision of the Public Service Commission as to the eligibility or otherwise of a candidate shall be final.

9. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Public Service Commission.

10. No recommendations except those invited in the form of application will be taken into consideration. Any attempt on the part of a candidate to obtain support for his application by other means may disqualify him for admission.

*Only successful candidates will be medically examined. Candidates are recommended to consult a Civil Surgeon as to their physical suitability before entering for the examination.

11. (*a*) A candidate who competed in the examination held in March/ April 1935, and failed to obtain a qualifying mark, will not be allowed to compete at the examination to be held in October, 1935, unless he is ineligible by age to compete at any later examination.

(*b*) No candidate who fails to obtain a qualifying mark at this examination will be allowed to compete at the next examination unless that examination is the last at which he would be qualified by age to compete.

12. Candidates must pay the following fees:—

(*i*) Rs. 7-8 with the application form,

(*ii*) if accepted for admission to the examination, Rs. 50 immediately after the receipt of the certificate of admission.

No claim for a refund of these fees will be entertained.

13. (*i*) The examination will include the following subjects and the maximum number of marks obtainable for each subject is as follows:—

Part I.—Obligatory:—

| | | Max. Mark. |
|---|---|---|
| 1. | Interview and Record ... | 500 |
| 2. | English Language ... | 300 |
| 3. | General Knowledge ... | 300 |
| 4. | Elementary Mathematics ... | 150 |
| 5. | Geography ... | 150 |

Part II.—Two of these subjects, and not more, must be taken:—

| | | Max. Mark. |
|---|---|---|
| (*a*) | French or German ... | 300 |
| (*b*) | Lower Mathematics ... | 300 |
| (*c*) | Higher Mathematics ... | 300 |
| (*d*) | English History from 1485 ... | 300 |
| (*e*) | Indian History ... | 300 |
| (*f*) | Physics ... | 300 |
| (*g*) | Chemistry ... | 300 |

Part III.—Subsidiary subjects of which one and [except as provided in clause (*ii*) below] not more than one, must be taken:—

| | | Max. Mark. |
|---|---|---|
| (*a*) | Outlines of English History from 1485 ... | 150 |
| (*b*) | Elementary Science ... | 150 |

A candidate who takes Elementary Science in Part III may not offer Physics or Chemistry in Part II.

14. No candidate will be admitted to the Indian Military Academy who obtains less than 175 marks for Interview and Record or less than 578 marks in the other subjects taken by him in Parts I to III (these marks being 35 per cent. in each case) or less than 1,075 marks in all the subjects taken in Parts I, II and III (these marks being 50 per cent.).

15. A candidate who desires a commission in the Artillery, Engineers or Signals must take Lower Mathematics and Physics at the entrance examination and obtain at least 40 per cent. of the maximum marks in each of these subjects; but a candidate who obtains less than 40 per cent. in one or both of those subjects will not thereby be disqualified for admission to the Academy if he obtains a sufficient aggregate of marks to qualify him under Rule 15 nor will he be ineligible for a commission in any branch of the Indian Army other than the Artillery, Engineers or Signals. Candidates who obtain the requisite 40 per cent of marks will not necessarily be selected to attend the special technical classes at the Academy. Selection will be made by the Commandant during the progress of the course.

16. From the marks assigned to candidates in each subject such deduction will be made as the Public Service Commission may consider necessary in order to secure that no credit is allowed for merely superficial knowledge.

17. If a candidate's handwriting is not easily legible a deduction, which may be of considerable amount, will be made on this account from the total marks otherwise accruing to him.

Ordered, that the Resolution be published in the *Gazette of India*.

The consumer shall pay the duty payable by him to the licensee within fifteen days from the date of receipt of the licensee's bill The licensee shall pay such duty within forty days after the expiry of the month for which it is levied to the Collector or to such other person as the Local Government may by special order appoint in this behalf:

Provided that without prejudice to any other obligations imposed upon him by these rules the licensee may himself pay the duty instead of recovering the same from the consumer.

3. *Keeping of books of account.*—The books of accounts kept by a licensee, under section 5 of the Act, shall contain the following particulars:—

(*i*) name of consumer;

(*ii*) address of consumer's premises with a brief description thereof;

8 *Adjustments.*—In calculating the duty payable by a consumer the licensee shall make the same allowances for incorrect meters, incorrect readings and leakages as those made in respect of his own charges.

9. *Provision of separate meters.*—Where there is a combined installation using energy both for power and for lights or fans or both and the energy consumed for the purpose of such lights or fans or both is dutiable or where part of a supply of energy is dutiable and part is

Provided that if any consumer satisfies the Collector or such other person as the Local Government may by order appoint in this behalf that the installation and operation of such separate meters or sub-meters involve costs disproportionate to the amount of the electricity duty leviable from him per month and furnishes to the Collector or such other aforesaid person such data as are in the opinion of the Collector or such other aforesaid person necessary for the assessment of the said duty, he may assess the duty payable and exempt such consumer from the requirements of this rule. A consumer exempted under this proviso shall communicate to the Collector within one month any change in the number of the lights or fans or both on the basis of which the duty payable by him was assessed:

Provided that before proceeding to enquire into the matter the Collector or such other aforesaid person may serve the consumer with a notice requiring him to deposit with the licensee within seven days from the receipt of the notice the amount of the duty alleged to be due and if the consumer fails to make the deposit as required may direct the licensee to cut off the supply of energy to the consumer until such deposit is made.

11. *Application of rules in the case of supply of energy by a person other than a licensee.*—The aforesaid rules shall apply *mutatis mutandis* in respect of the generation of energy by a person other than a licensee.
